COMMISSIONER OF EDUCATION, NEW YORK STATE

Dec 1912

December 1st, 1913

President Finley,

Commissioner of Education of the State of New York,

Albany, N.Y.

My dear President Finley:

I have just received an invitation from the Regents of the University asking me to be present at your Inauguration on the second of January, but I regret that I have had to decline the invitation owing to a previous engagement which I must fulfill. I should like to be with you and have a share in the felicitations that you will receive on your formal entry upon your new office, but will you allow me to say now that we look forward to a very prosperous administration under your guidance, and hope to be able from time to time to profit by the work that is done in Albany? You have our best wishes and I hope that we may have the privilege of seeing you in Toronto in the not very distant future.

With kind regards, I am,

Yours sincerely,

President.
